Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

R. L. POLK & CO., Directory Publishers

New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLK-WAY Mail-List Service. Ask for details.

Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep his list of customers in constant repair.

R. L. POLK & CO., Directory Publishers

New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLK WAY Mail-List service. Ask for details.
